In consideration of Modern Nostalgia converting my analog media into digital media, and other good and valuable considerations, I agree as follows:

I agree to indemnify and hold harmless Modern Nostalgia and their affiliates for any actions taken against me by any party for knowingly or unknowingly violating U.S. and/or International Copyright laws. I further agree to hold myself solely responsible for understanding and following U.S. and International Copyright laws and for honoring all copyright requirements accompanying any media I have converted by Modern Nostalgia. By enlisting Modern Nostalgia's services I acknowledge the media given to Modern Nostalgia by me are the originals and that prior to the conversion, no previous copies of this media, in any format, were in existence.

This statement only applies to the media I do not own the copyright(s) for, or when I do not have special permission from the copyright owner.
